ⁱ Project Status. A = Active; C = Completed or Nearly Completed

ⁱⁱ Performance Measures outlined in the WV DOH STIP. All target performance measures are noted by WV DOH, except those enclosed in parentheses which are noted by MMMPO staff.

- Performance Measure 1 (PM1): safety of transportation network
- Performance Measure 2 (PM2): condition of pavement and bridge infrastructure
- Performance Measure 3 (PM3): reliability of the transportation, freight, and congestion mitigation and air quality

ⁱⁱⁱ MMMPO Metropolitan Transportation Plan Goals, as adopted in 2017. All target goals are noted by MMMPO staff.

- Goal #1: Safety - A safe, secure transportation system for all users that reduces fatalities and severe injuries.
- Goal #2: Mobility Choices - An integrated and connected multimodal system that provides safe, convenient options for bicyclists, pedestrians, and transit users as well as motor vehicles.
- Goal #3: System Reliability - Improve the reliability of the movement of people and goods across the region in support of time-sensitive freight movement and logistics.
- Goal #4: System Preservation - Maintain and enhance existing transportation infrastructure assets in a good state of repair
- Goal #5: Equity - Provide healthy, convenient, and equitable transportation choices for those communities that are underserved or traditionally underrepresented.
- Goal #6: Economic Vitality - A transportation system that supports and enhances economic development goals and improves regional competitiveness in commerce.
- Goal #7: Livability - A transportation system and region that is attractive, sustainable, and contributes to regional well-being.

*Approved with adoption of TIP
